MANAGER'S MESSAGE

I would like to invite you to the 1973 Kansas State Shorthorn and Polled Shorthorn Show and Sale. After seeing a lot of the cattle that are consigned, I am convinced that the breeders are making every effort to make this a great sale.

Included in the consignments are the 1972 Kansas State Fair Champion bull, the 1973 Nebraska State Fair Champion bull, and a three year old All-American Polled bull. The bull consignment has a lot of good big strong aged bulls ready to go to work. I am convinced that we have bulls in this sale that will fill the needs of the commercial cow man and the discriminating breeders.

In the female offering, we have some outstanding young heifers and cows. A good selection of 1973 heifers will be on offer for club work.

I would like to call your attention to the cow and cow-calf consignment. This is a new addition to this sale. I have seen most of the cows consigned and they are quality cows right in their prime. Notice the ages on the pedigrees, nearly all are young cows. These are not cull cows.

The Junior calf show will have about 20 quality steers and about 12 heifers. The steer and heifer calves will sell first, followed by the bulls.

Mark your calendar now for November 1 and 2 for this event, you won't be sorry.

We will have a dinner and business meeting Nov. 1 at 7 p.m. at the Royal Inn Motel. This is informal and we encourage everyone to be there.

The Lassies will hold their business meeting following the dinner.

Bill Scott, Sale Manager

COVER PICTURE

It is with great appreciation that this years State Sale catalogue honors Mr. and Mrs. Milton Nagely for their 12 years they worked so hard to promote Kansas Shorthorns. Milt retired from the Kansas Secretarys job last November. Pictured on the cover is Milt with Mil—Nita Scotskirk 53rd, one of his top selling bulls from a previous sale. It has been the hard work of Milt and Juanita that the Shorthorn feeder calf sales have been so successful and our purebred sales are always among the very best in the United States. Now we will be seeing Milt showing and selling more good Shorthorns, as he is this year in this sale.

STANDARD GUARANTEE

(Recommended by American Shorthorn Association)

- A. Proper care must be given to purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf, must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

- D. When an animal fails to comply with the above guarantee, the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case of dispute, the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder, the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy, if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

Pa Do P Princess Marg L 002 - This fine young cow has a grand March 23 red heifer calf at side by our big clean Promise bull. She is pasture bred to same bull. The Promise calves are really exciting. Another tribute to the great Clyde Miller foundation. It was dry here and she is thin and this is her second calf.

This next section of our catalogue will consist of the cow and cow calf pairs we have in this sale. They will not be catalogued according to age but rather each breeders cows will be all together. If you are needing some cows, you had better be at this sale. Most of these cows still have their **prime** years ahead of them. I have seen most of these cows and they are **quality** cows. These **are not** cull cows. Sale Manager

Should have a calf by sale time to Rothney Calgary Comet, a very promising two-year old. He is out of the same dam as Rothney Braw Bob, a \$5500.00 bull at Howard Snethen's and to Rothney Diamond, a \$4200.00 at Russell Held's. Both bulls have topped Rothney's sales.

When it was announced last spring that cows could be consigned to our fall state sale, I began to plan a consignment of good young cows.

These are all good sound young cows and are of the quality that should be held in the herd.

Before sale six cows will have fall calves sired by Weston Leader 15th. The other three cows had 1973 spring calves and are rebred to calve next spring either to Sutherland Coronado or Weston Leader 15th.

Herd Brucellosis certified and T B accredited.

SHORTHORNS - BEST IN EVERY WEIGH

KANSAS SHORTHORN—POLLED SHORTHORN ASSOCIATION

BILL SCOTT, SECRETARY

RANSOM, KANSAS 67572

It is time for the fall shows and sales. How about getting out to these events, whether to show, sell, buy or to watch the shows?

The Kansas Shorthorn Junior Field day was held July 21 at Newton. We had a good show with top-notch cattle shown by the Juniors. The city of Newton was very nice to our people. A special thanks goes to those who worked so hard to make it a big success, the Eshelmans, Loyds and Roux families.

Please notice some dates that are coming up this fall.

Sept. 15—Entries due for State Shorthorn sale. Catalogue will go to the printer Oct. 1.
Sept. 18—Shorthorns show at Kansas State Fair 9 A.M. Jack Evans will be the Judge.
Oct.—\$1,000 offered to the Grand Champion Shorthorn steer at Wichita.
Oct. 23—Shorthorn feeder calf sale, Wakeeney.
Oct. 24—Shorthorn feeder calf sale, Herington.
Oct. 25—Shorthorn feeder calf sale, Russell.
October 30—Shorthorn feeder calf sale, Holton.
Nov. 1 & 2—Kansas Shorthorn and Polled Shorthorn Show and Sale.
Nov. 15—Tomson Sale, Wakarusa.
Nov. 24—Shorthorn and Polled Shorthorn "Off Grass Sale", Herington.
April 4, 1974—Mid-Kansas Sale, Salina.

We will be adding a new group to the State Sale at Hutchinson. For the first time, we will offer unaltered cows. These should be quality females and will need health papers just as the other cattle in the sale. If they are bred females or have calves at side and rebred, it would be best if they are examined to be sure they are safe in calf. It is intended that by putting cows into this sale it will be another drawing attraction for this sale. Lets also have a good consignment of young females for the show. We should have a good sale. Prices are good, and the feed situation looks good in most areas.

Support your area Shorthorn feeder calf sale. We have several set up across the state, so that there should be one not too far from you. Please let me know what you will have. Buyers want to know what is available before they will drive very far to buy. Club calves will sell in all these sales.

If you need cattle or have them for sale, please let me know. I have several cows available now if you need cows. Call me (913) 731-2797 and I will let you know where they are.

See you at the fairs and sales.

Bill Scott, Sec.
Kansas Shorthorn Assoc.
